

September 30, 1993. The OMB has exempted this regulatory action from Executive Order 12866 review.

Nothing in this action should be construed as permitting or allowing or establishing a precedent for any future request for revision to any State Implementation Plan. Each request for revision to any State Implementation Plan shall be considered separately in light of specific technical, economic, and environmental factors and in relation to relevant statutory and regulatory requirements.

Under the Regulatory Flexibility Act, 5 U.S.C. 600 *et seq.*, EPA must prepare a regulatory flexibility analysis assessing the impact of any proposed or final rule on small entities. 5 U.S.C. 603 and 604. Alternatively, EPA may certify that the rule will not have a significant impact on a substantial number of small entities. Small entities include small businesses, small not-for-profit enterprises, and government entities with jurisdiction over populations of less than 50,000.

SIP approvals under section 110 and subchapter I, part D of the Act do not create any new requirements, but simply approve requirements that the State is already imposing. Therefore, because the Federal SIP approval does not impose any new requirements, I certify that it does not have a significant impact on any small entities affected. Moreover, due to the nature of the Federal-State relationship under the Act, preparation of a regulatory flexibility analysis would constitute Federal inquiry into the economic reasonableness of State action. The Act forbids EPA to base its actions concerning SIPs on such grounds. *Union Electric Co. v. U.S. E.P.A.*, 427 U.S. 246, 256-66 (1976).

DEPARTMENT OF DEFENSE

48 CFR Part 226

Defense Federal Acquisition Regulation Supplement; Preference for Local Residents

AGENCY: Department of Defense (DoD).

ACTION: Interim rule with request for comments.

SUMMARY: The Director of Defense Procurement has issued an interim rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to permit contracting officers to consider, as a factor in source selection, the extent to which offerors plan to hire local residents in the performance of contracts that support

the closure or alignment of a military installation.

DATES: Effective date: January 26, 1995.

Comment date: Comments on the interim rule should be submitted in writing to the address shown below on or before April 3, 1995, to be considered in the formulation of the final rule.

ADDRESSES: Interested parties should submit written comments to: Defense Acquisition Regulations Council, Attn: LTC Edward King, PDUSD (A&T) DP (DAR), IMD 3D139, 3062 Defense Pentagon, Washington DC 20301-3062. Telefax number (703) 602-0350. Please cite DFARS Case 94-D315 in all correspondence related to this issue.

FOR FURTHER INFORMATION CONTACT: LTC Edward King, (703) 602-0131.

SUPPLEMENTARY INFORMATION:

A. Background

Section 817 of the Fiscal Year 1995 Defense Authorization Act (Pub. L. 103-337) authorizes the Secretary of Defense to give preference to entities that plan to hire local residents, when entering into contracts for services to be performed at a military installation that is affected by closure or alignment under a base closure law. DFARS Subpart 226.71 is amended to permit contracting officers to use this preference in the award of contracts for base closure activities.

B. Regulatory Flexibility Act

The interim rule is not expected to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule only applies to acquisitions that support the closure or realignment of a military installation. An initial regulatory flexibility analysis has therefore not been performed. Comments are invited from small businesses and other interested parties. Comments from small entities concerning the affected subpart will be considered in accordance with Section 610 of the Act. Such comments must be submitted separately and cite DFARS Case 94-D315 in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the rule does not impose any information collection

requirements which require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

D. Determination To Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense to issue this rule as an interim rule. Compelling reasons exist to promulgate this rule as an interim rule without prior opportunity for public comment because it is necessary to authorize contracting officers to use the preference permitted by Section 817 of Pub. L. 103-337. However, comments received in response to this interim rule will be considered in formulating the final rule.
